Travelling Grant

81st Annual Meeting German Society for Oto-Rhino-Laryngology, Head and Neck Surgery Wiesbaden (Germany) May 12-16, 2010

The German ENT-Society offers a financial support for attending the ENT-Congress in 2010, which will be held in Wiesbaden from May 12-16. President is Prof. Dr. G. Rettinger from Ulm. Part of the congress is the "International Forum" with presentations in English language. The support amounts to **500 EUR** and can be used for travelling and accomodation. The congress fee will be waved (and the participation at "International Evening" on Friday, May 14th is included). The grant aims at young ENT colleagues or scientists from countries with limited resources to support visits abroad.

We expect an application of a presentation (free paper or poster) for the congress and a subsequent written evaluation of the meeting. We also would be in favour of a report about the congress published in a national journal of the specific home-country and would be happy to receive a reprint.

Please send your application form (see next side) with enclosure of your Curriculum Vitae and the list of your publications

- by email to info@hno.org

- or by fax: +49 (0) 2 28 / 23 93 85

The number of grants is limited and decisions will be made by a committee, based on the criteria mentioned above and by the order of application. The sum will be handed over at the congress.

Deadline for application is October 31st, 2009
