POST-CONGRESS WORKSHOPS

5th Cochlear Implant & Advanced Temporal Bone Course
12 - 13 October 2016
Department of Anatomy, University of Pretoria

DESCRIPTION:
The 5th Cochlear Implant and Advanced Temporal Bone Dissection Course is aimed at the ENT with a special interest in Otology. It is the ideal opportunity to meet and be taught by opinion leaders in the fields of cochlear implantation, middle ear, temporal bone and skull base surgery as well as participate in temporal bone dissection in the lab. Informative lectures and stimulating discussions briefly punctuate the most important objective of this course, to explore the temporal bone beyond your comfort zone.
